

XTRA SPECIAL

PRODUCT DATA SHEET

XTRA SPECIAL API CF4 SAE 20W40 is a multi-grade engine oil with superior detergent and dispersant properties to help keep engines clean. This oil is made for engines that run on both Diesel and Petrol. It improves fuel combustion efficiency, lowering emissions. This oil's unique formulation boosts strength and protects your engine from high temperatures.

Xtra Special SAE 20w40 API CF-4 is made with the highest safety deposit shield technology. Oil thickening can be reduced with better antioxidant properties. The engine's life is extended by the longer drain time. It lowers the engine's maintenance costs and improves mileage and fuel economy. The excellent oxidation and sludge management helps to maintain the engine in a healthy state for a longer period of time.

FEATURES & BENEFITS

- Resists formation of hard piston deposits and varnish at high operating temperatures.
- Reduces soft sludge formation associated with low engine temperatures in periodically idling conditions.
- High protection against wear insuring maximum equipment life.
- Extends oil drain period due to enhanced dispersancy.

MEETS REQUIREMENTS OF

- API CF-4/SF,
- US Military MIL-L-2104C,
- Mack T-7/T-8A
- EDL 3 / EPL 2 of IS 13656 : 2014 specifications of API

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

Properties	Value
Kinematic Viscosity @ 100°C,cSt	14-16
Viscosity Index	115
Flash Point, °C MAX	218
Pour Point, °C MAX	-21
TBN, mg KOH/gm	9.0
